

ANNUAL FUNCTION FEEDBACK

This is Radhika a parent of Heer Doshi grade 5C. The Annual Day function this year, was flawless, be it dance, Music, the fillers, the English play. Name it and it was the best in the last 5 years. Every minute detail was taken into consideration. It was a treat to watch the kids perform. My daughter was offered the role of Mogli, in the English play. The amount of effort Delzin, Kashmira, Priya, Shubhra ma'am and Pranoy Sir have taken could be seen on the stage. The faith, confidence and teamwork taught to my daughter is commendable. Thank you to all the teachers and staff for having faith in our kids, as it boosted their Morale and performance with utmost confidence. We are indebted to all our round-the-clock and hard-working teachers, helping staff and everyone who has poured their blood to put the show together 🙏

I wanted to express my heartfelt appreciation for the wonderful school annual day event. We witnessed a delightful show, and I'd like to commend you and your team for such a spectacular event. The effort that went into making it a success was truly evident.

The dance performances, in particular, were a highlight of the annual day. My children, Raisha Doshi grade 2C and Pranit Doshi grade 1B, participated in different dances and I was thoroughly impressed by their dedication and the talent they showcased. From the selection of songs to the execution of well-planned choreography, it was a pleasure to watch them enjoy each moment on stage. It was heartwarming to see how much they've learnt and grown through this experience. I am grateful that my daughter, Raisha, got such an opportunity to shine on the stage.

Your guidance and support have played a crucial role in nurturing their talents and helping them perform with confidence. I, as a parent, greatly appreciate that.

Once again, thank you for the wonderful event and for all the hard work that went into it. We are looking forward to such future events and the growth of our children under your guidance.

Best regards,

Priyal Ashish Doshi.

The school's cultural day program was a truly enriching celebration of diversity and unity. The vibrant displays, and performances not only showcased the richness of different cultures but also fostered a sense of inclusivity and understanding among students. The well-organized program showcased the institution's commitment to fostering a vibrant learning environment. Kudos to all the teachers and support staff for creating an event that goes beyond textbooks, and promoting cultural awareness and appreciation. It's experiences like these that make our school community special and memorable. It reinforced my confidence in choosing this school for my child's academic journey.
