Date: 12.03.2025

To,
Executive Engineer (Building Proposal) City
Municipal Corporation of Greater Mumbai,
Mahapalika New Building,
Vidyalankar Marg, Salt
Pan Road, Antop Hill,
Wadala (E),
Mumbai – 400 037.

Sub: Proposed Additions and Alternations to the existing School building on plot bearing C.S. No. 315 of Malabar Hill Div. in Gopi Birla Memorial School at Walkeshwar Road in 'D' ward.

Name of Architect: Shri Anil Ramakant Patil
Name of Client: Birla Industries Group Charity Trust

Sir,
I, Mr. Vipul Shah of M/s. V.S TECH & ASSOCIATES Services have undertaken assignment as Consulting Structural Engineer for the development work of development on the above referred property for M/s. Birla Industries Group Charity Trust.

Based on the test reports and periodic site inspection carried out through by me/staff from time to time, I hereby certify that the structural work of the above proposed additions and alternations to the existing School building comprising of Lower Ground + Ground + 4 Floors has been carried out as per structural design & drawings.

I further certify that to the best of my knowledge & belief, the structural work for the above-mentioned building carried out is as per prescribed & applicable standards & codes, rules regulations & stipulations & the material used & work is fit for the intended use. Also, this is to certify the lift shaft for the above building has been designed in accordance with the specification of the elevator manufacture confirming the relevant IS and National Building Code and the same is structurally sound to take the imposed load of the machinery.

The certificate is issued on the clear understanding that my overall responsibility for the structural stability of the building & its proper performance will cease the moment any additions & alterations to the structure are carried out or damage is caused to the structural frame by accident or due to tampering by users or occupants for any reasons whatsoever. My responsibility will also cease in the event of overloading or lack of proper maintenance of the structure or any such act, which is detrimental to the structure.

Please
(~~Clear~~ Note that This certification is valid for 3 years only from the date of issue , i. e on 11/03/2028.)

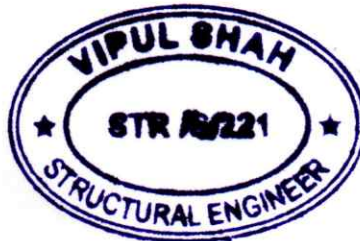

V.S.T.
Thanking you,

Yours faithfully

For V.S TECH & ASSOCIATES.

V.S.T.
VIPUL SHAH
